BEYOND ALL COMPETITION.

One lady was heard to say to another few days since, "It matters not what other merchants advertise or say they can do, I tell you, you can get more goods for your money at HOBBS & BAKER's than anywhere else in Roanoke." and this is the testimony of Hundreds who visit the Large Two oor

DEPARTMENT STORE OF HOBBS & BAKER,

128 SALEM AVENUE

To the older residents of Roanoke, who know our method of doing business this is not so strange, but the newcomers will naturally want to know upon what grounds we base our claims to give them more goods for their money than anyone else. We answer, that purchasing largely from first hands and the largest jobbers in the northern cities, and then selling our purchases strictly for Cash, marking them at the very Lowest Figures they can be sold at, and selling to every one alike, enables us in all confidence to present our claims to the attention of the purchasing public as the

in Roanoke, and trust to their judgment to discriminate between the glittering statement of competitors who advertise and claim to be selling out their stocks "At Cost." We do not sell "At Cost," for the simple reason that we must live, but we do divide profits with our customers. When customers come to our place they do not have to pay an extra per centum for goods on account of bad debts on the ledger. Every one is treated alike. The poor man can get just as many goods for a dollar as the rich. FAIR AND SQUARE DEALING, Politeness and Courtesy are characteristic of the house from Proprietor to package boy. Our Stock of Winter Dress Goods, Gents' and Boys' Wear, Shawls, Blankets, Comforts, Flannels, Tickings, Cloaks, Curtains and Nets, Notions, Towels, Bed Spreads, Handkerchiefs, Silk and Cashmere Mufflers, Table Covers, Lambrequins, Hosiery, Gents' Ladies' and Children's Boots and Shoes, Hats and Caps,

THE SUN. 1890. 1890.

Some people agree with THE SUN's opinions about men and things, and some people don't, but everybody likes to get hold of the newspaper which is never dull and never afraid to speak its mind.

Democrats know that for twenty years THE SUN has fought in the front line for Democratic principles, never wavering or weakening in its loyalty to the true interests of the party it serves with fearless intelligence and disinterested vigor. At times opinions have differed as to the best means of accomplishing the common purpose; it is not THE SUN's fault if it has been further into the millstone.

Eighteen hundred and ninety is the year that will probably determine the result of the Presidential election of 1892, and perhaps the fortunes of the democracy for the rest of the century. Victory in 1892 is a duty, and the beginning of 1890 is the best time to start out in company with THE SUN.

AN ORDINANCE.

At a meeting of the council of the city of Roanoke, held December 10th, 1889, the following ordinance was adopted:

Be it ordained by the council of the city of Roanoke, upon the petition of the Roanoke and Southern Railway company by its president, filed on this 3rd day of December, 1889,

1. That the sergeant and judges of election for the said city of Roanoke do open a poll at the several voting precincts of said city, on Tuesday, the 28th day of January, 1890, and take the sense of the freehold voters on the question, whether the said council shall be authorized, in the name of and for the use of the city, to cause to be issued, bonds to an amount not exceeding one hundred thousand dollars for the purpose of making a second and further subscription to the capital stock of the Roanoke and Southern Railway company.

2. The said election shall be held and the authority to issue bonds and make said subscription shall be upon the following terms and conditions, namely:

1. The said council may subscribe for the stock of said company to the amount of one hundred thousand dollars; provided, that in doing so the aggregate debt of the city shall not exceed ten per centum of the assessed value of the property, real and personal, within the city limits.

2. That the said company shall within ninety days after the said subscription shall be made, commence to construct its line of road at its termini in said city of Roanoke, on within one mile of the city limits, and shall prosecute the same in a bonafide manner with all reasonable diligence to its completion.

3. The bonds of the city of Roanoke shall bear 6 per cent. interest, and shall be redeemable in thirty years, and shall be issued and delivered to a trustee, to be agreed upon between the council of the city of Roanoke and the president of the Roanoke and Southern railway. The said trustee upon the certificate of the chief engineer of said railway of the completion of the grading of such and every mile of said road from Roanoke city southward shall deliver to said railway the bonds of said city to the amount of \$5,000 and upon like certificate of the engineer for each and every mile of said road when the superstructure is completed, and ready for operation, the said trustee shall deliver to said railway bonds to the amount of \$5,000 per mile until the entire sum of \$100,000 provided for in this ordinance shall be delivered.

4. Upon the delivery of the bonds of the said trustee to the railway company the said company shall deliver to the said trustee certificates of stock in said railway to the full amount of said bonds.

5. The subscription when made by the city council shall be upon the terms and conditions herein set forth, and should the said company fail to comply with said terms and conditions, then, and in that event the said subscription, at the option
